The Nineteen Fifty-one

FOREWORD

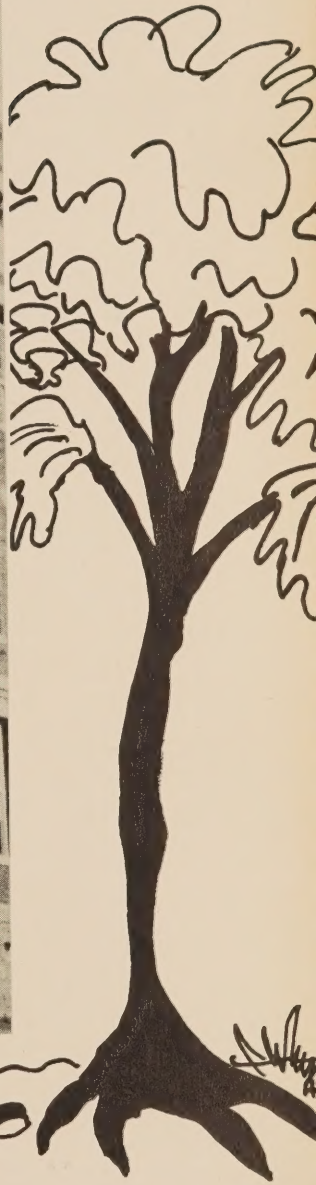

Worth a billion or a trillion,
Here's our yearbook, in vermillion.
Here's the work of many people,
All who live and breathe and sleep'll
Read it. Critics and the cheap'll
Sing its praise from tow'r and steeple.
Herein find our four-year flower
Endures behind us, remnant. Our
Class's only publication,
In our humble estimation,
Will, in fairest contemplation,
Meet your cheerful approbation.
Here's our theme, let's not confound it:

PLAINFIELD HIGH SCHOOL; RIGHT
AROUND IT.

Memories we cherish

IN MEMORIAM

MRS. ELEANOR J. DAVEN

In memory of two fine people, Mrs. Eleanor Daven and Miss Nancy Chase, we wish to express our heartfelt sorrow. They were a part of the bustling school life and their passing leaves an empty place in the hearts of all who knew them.

We shall always remember Mrs. Daven's control over a history class. We respected her judgment and found wisdom in her counsel. The seniors will never forget her kindness nor her sense of humor. She was a friend to anyone who needed help.

Also we shall not forget Miss Nancy Chase, one who was always friendly and helpful to each student and teacher that entered the counselors' office. Her bright smile, shared with everyone, still lingers in our memories.

MISS NANCY G. CHASE

DEDICATION

To you Marcia T. Westpfahl:

whose deep understanding and wise counselling has been of great aid to us during these short four years; whose smile and encouragement have greatly helped to make our stay in high school a real pleasure; to you who have always been a sincere friend as well as a fine teacher, we the class of 1951 are proud and honored to dedicate this **Milestone**.

It was in Pennsylvania that Mrs. Westpfahl received most of her schooling, having attended the Grier School and Penn State. She obtained her degree of Bachelor of Arts at Skidmore College, Saratoga Springs, New York and later, her Master's Degree from Columbia University in New York City.

In the Fall of 1941, Mrs. Westpfahl came to PHS as an instructor of history, and she has been teaching Problems of American Democracy and American History ever since. She has always entertained an interest in our student government, and for the past three years has served actively on Student Council in an advisory capacity.

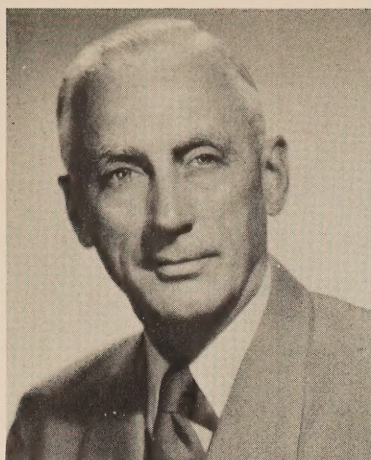

We, the Class of 1951, can think of no one better qualified to train us in the principles of Democracy and to help us put our knowledge effectively into practice. As future voters and as parents we shall always remember you, Mrs. Westpfahl, as one who helped to show us the right path at the fork in the roads.

Succeeding classes will be very fortunate if they are able to say years hence, "We had Mrs. Westpfahl as a teacher and a friend."

MARCIA T. WESTPFAHL

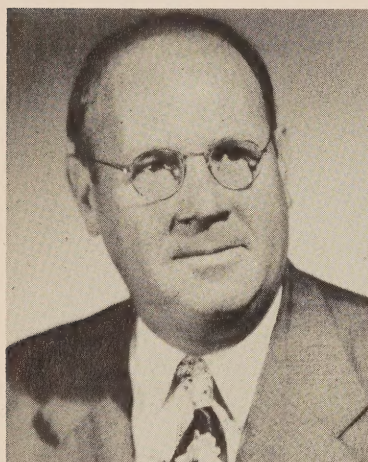

In the short time that he has been Superintendent of Schools, **Ralph D. Mcleary** has demonstrated a sincere desire to improve and maintain the highest educational standards attainable.

Administration and Faculty

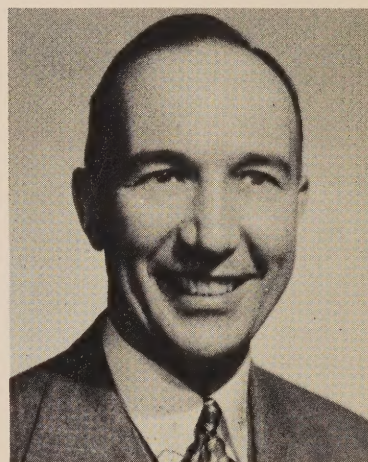

For his democratic policies and "Solomon-like" wisdom in the administration of our school affairs, **Waldro J. Kindig**, our principal, has earned the greatest respect and deepest admiration of the entire student body.

Respected and loved as a teacher and a friend, **Dean George Smith** will always be remembered by us for his friendly advice and his fair sense of justice.

Even with the many tasks and problems that confront him as our vice principal, **Warren H. Held**, still finds time to help us with our individual problems.

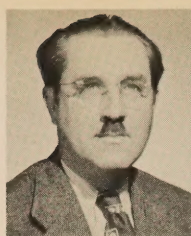

As Dean of Girls, **Lola K. Hoff** has won our deepest affection and regard. Her wise counselling and her fair decisions have helped to guide us through our four years.

Four Around

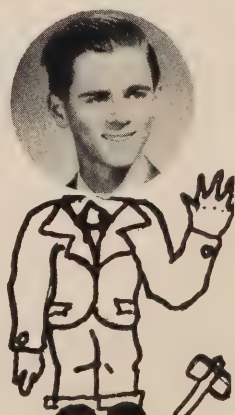

In September, 1947, we began our first years right around PHS. Our entrance through its doors began a series of different and more adult experiences than any we had ever had before. At first we were somewhat shy and unsure of the future. The Seniors seemed so sophisticated and distant, while the Sophomores let it be known that they were no longer Frosh. Now, however, after four years of work, friendships, and fun, we're ready to write our history and see what the future holds.

Our initial class project was to elect Freshman officers who were **Melvin Smith, Bob Hutchison, Jean Pepe and Carol Sand.** Besides starting our Treasury, we all got acquainted at our first social event, the Freshman Party.

Before we knew it, September had come again and we as mighty Sophomores marvelled at the young and inexperienced crop of Frosh. **Dean Wachtel** assumed leadership of the class by popular vote and was assisted by **Bill Wright, Joan Kennison and Judy Beattie.** The Soph Hop, "Rhythm on Reels," provided an evening of fun for everyone and was a novelty entertainment. We also came into the limelight with the play "Rich Man, Poor Man," an assembly program.

1950—Upperclassmen with half of our years right around PHS behind us and an exciting two to go! **Jim Peale, Cas Wanczyk, Cynthia Gibson and Nancy Walker** took over the executive position for the year. Plans were soon made for our Indian Summer Dance. Everyone remembers the good time we had. This was the year of the first undefeated football team in the history of PHS. How we cheered! Another exciting first for us—our Junior Play, **Mr. and Mrs. North**, starring Jean Shuha and Jim Peale as the

Years P.H.S.

popular detective couple of the radio.

Spring brought with it our class rings engraved with "51" which we wore proudly. It also brought a wonderful evening—The Junior-Senior Prom. The Seniors may have been the big wheels, but we as the necessary little spokes had a good time.

In June, we said goodbye to the Seniors. Seeing them go made us realize at last we would have our chance at running the school. There was no one to admire or imitate; we were on our own.

In September, we resumed work right around PHS for the last time. **Paul O'Keeffe, George Lund, Marny Giesecke and Carol Sand** became our class officers. Jim Peale, Rick Johnson, Nancy Walker and Bill Luce were elected to guide Student Council. **Carolyn Wittman** became Editor-in-Chief of the **Entree** and **Marguerite Wing** was chosen Editor-in-Chief of the 1951 **Milestone**.

After selecting our leaders, we proudly produced **Cheaper by the Dozen** with George Lund as Dad, father of a dozen bleached red heads. The play was a great success financially and provided an evening of sparkling entertainment.

The rest of our time right around PHS passed quickly. We waltzed our way through the Senior Dance and the Prom, and proudly ruled the school on Senior Day which ended in the Senior Supper.

Graduation brings with it many memories of the trials and successes we have had right around PHS. It also carries plans and hopes for the future which we are now prepared for and ready to face.

ELAINE ADAMS

It looks like another teacher for PHS when "Peaches" graduates. "Peaches," active in the Student Council, Hi-Tri and the Leaders Club, has no time for conceited boys.

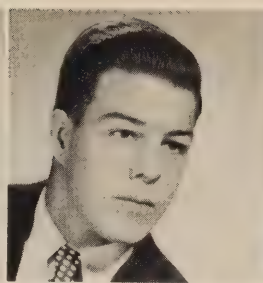

HELEN ADAMS

Conceited boys had better steer clear of "Peaches." Active for four years in Hi-Tri, "Peaches" would like to become a nurse.

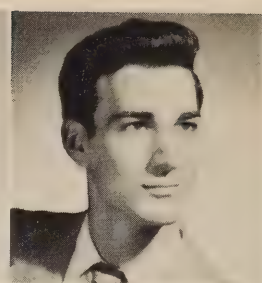

LUCILLE ALBERT

To go to college and to take a trip abroad are "Lou's" ambitions. She has been a member of the Music Appreciation, Dramatic, and the French clubs. "Lou's" pet peeve is "chronic complainers."

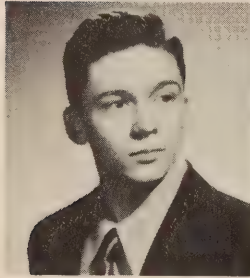

WILLIAM N. ALBERT

Jokes in the boys' locker room annoy "Bill" who was on the Executive Council. His future will be in forestry.

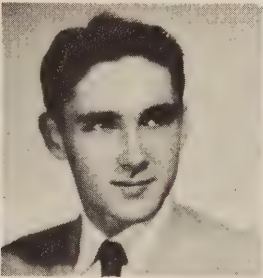

JAMES J. AMATO

"Jim" was active in the Boys' Cheerleaders Squad and Male Chorus. He doesn't wait much when he says he desires to marry a rich heiress, does he? Hope you find her.

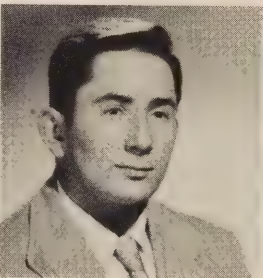

JOHN AMMERMAN

Good luck, John. We hope you'll be successful in whatever you plan to do.

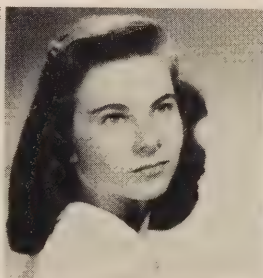

JAY ANDREWS

Jay will be remembered as drum major of the 1950 band and also as a member of the Swimming Team. His ambition is to make all kinds of money. Another "Brink's" job?

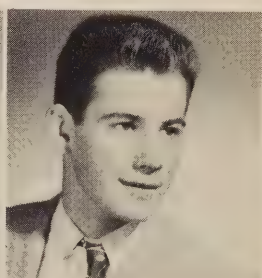

ARNOLD ANGERT

"Anchor" is the athletic type as shown by his keen interest in Football and Wrestling. Latin seems to bother him.

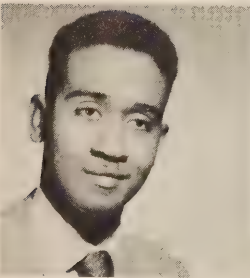

JEANNE M. ASHTON

"Jay" doesn't seem to like cliques. Her ambition is to become a housewife and good mother. "Jay" was kept busy in the Student Council, Office Machines Club, and the Modern Dance Group.

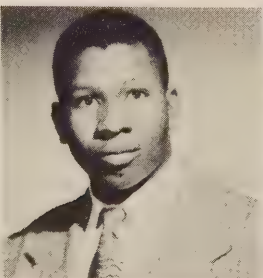

DON P. ASTHEIMER

Conceited girls irk "Don" who went out for Baseball, Football, and Basketball. He'll retire at "38" if he gets his wish.

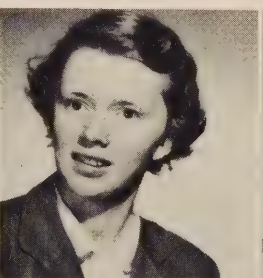

THEODORE BAILEY

Track, Intramural Basketball and Dramatics kept "Ted" busy. He plans to go to college and study printing.

W. PETER BAILEY

Another sports' enthusiast, "Bones" participated in Football, Baseball, and Wrestling. His future will be in the pharmaceutical field.

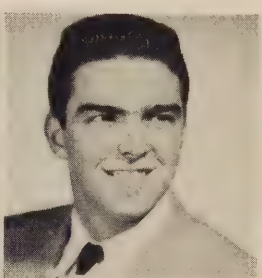

LOIS CLAIRE BAKER

Lois was a member of the Milestone, Office Machines, and Chamber Music organizations. She hopes to visit France someday.

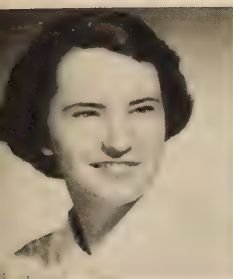

MARGARET L. BALL

"Maggie's" pet peeves are conceited people and gum poppers. She was a member of the Hi-Tri, Spanish, Latin and the Leaders clubs. Nursing is "Maggie's" ambition.

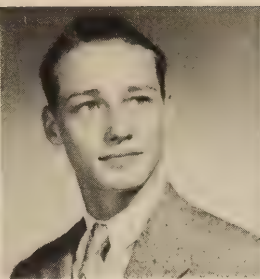

GEORGE BARBUTY

George isn't keen about homework; he'd much rather play V Football and V Baseball. He's anxious to make a mint. Aren't we all?

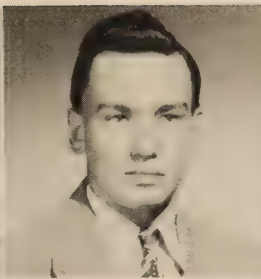

PATRICIA BARON

To become a secretary is "Pat's" ambition. A member of the Junior Play Reading Committee and the Typing Club, she has an aversion to homework.

DERBEN W. BARTHOLOMEW

September will probably find "Bisco" starting all over again as a Freshman; in college, that is. He was a member of the Projection Squad and Senior Executive Council.

ROY D. BAUGHMAN

Homework doesn't appeal to "Roy" who's played Baseball at PHS. It's either the Air Force or college for Roy. More homework?

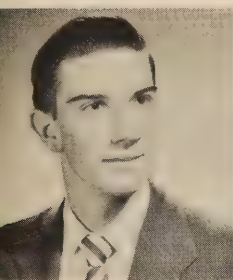

EDWARD BAXTER

The Radio, Chess, and World Federalists' clubs have kept "Sunny" busy. He also has been kept on the run with the Cross Country and Track teams.

JUDITH BEATTIE

Sourpusses beware of "Judy." Her ambition is to be a Personnel Director. "Judy" was active in the Junior and Senior Drama Clubs, **Milestone**, Senior Usher Squad, Mixed Chorus and was Treasurer of the class during her sophomore year.

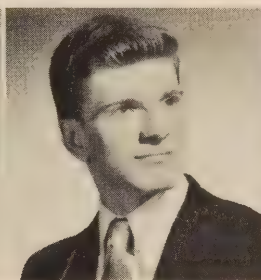

THOMAS BENDER

"Tom" was quite an active guy in Student Council, the Drama and Key clubs and on the Cross Country team. Springfield College is his goal.

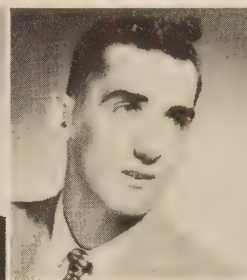

JANICE E. BERCAU

"Jan," who wants to succeed, is bothered by people who can't make decisions. She has been a member of the Girls' Leaders Club, the Band, and the Orchestra.

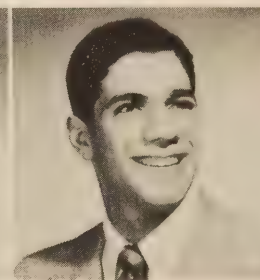

DONALD BERNARD

"Girls who —," bother "Binny," a future chemical engineer. He has kept busy in the French and Math clubs, and on the Cross Country team.

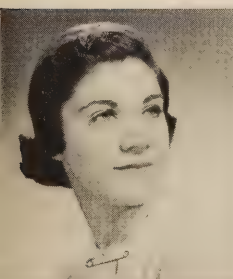

DERWENT J. BERNATH

After graduation "Derry" plans to "join the Navy and see the world." He hopes to specialize in the machinist field.

JACK BERNSTEIN

The **Entree**, Swimming team and Track Club have kept "Jack" (half of one of our 9 sets of twins) busy. Success in the business world is his goal.

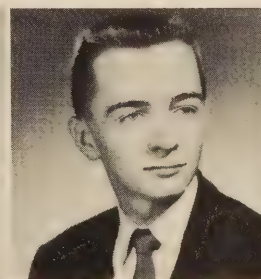

JUDY BERNSTEIN

One of our Twirlers, Judy was active on the **Milestone** Staff, Student Council, the Usher Squad, and Latin Club. After college, Judy intends to be a model.

"Joe" is heading for college after graduation. Boys' Ensemble, Mixed Chorus, the Junior and Senior plays, and Executive Council have been some of his activities.

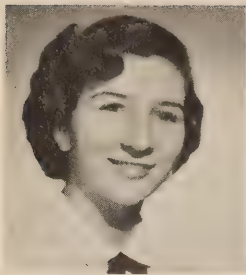

DORIS E. BRADBURY

"Debbie" who doesn't like conceited people, was a member of the Office Machines Club. She hopes to become a secretary.

WALTER BRAXTON

"Henny," who doesn't like conceited people, wants to be his own boss in a business of his own. Track was one of his activities.

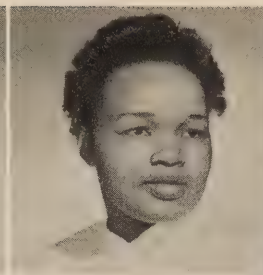

ROSE ALICE BRAZINE

People who are curious about her nickname bother "Breezy." Among her activities was Exchange Editor for the *Entree*. Ambition: To be a psychiatrist. Reason: To psycho-analyze "Kathy."

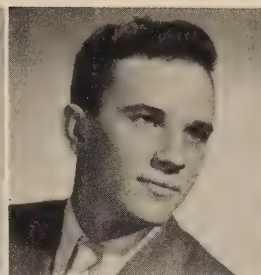

BARBARA S. BROKAW

DORIS E. BROWN

"Polly" dislikes show-offs and conceited people. Her ambition is to become a nurse.

NANCY BROWN

"Mutt" dislikes being broke (don't we all). To be a success in life is her goal.

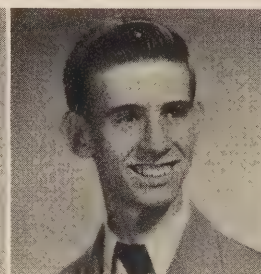

SHIRLEY BROWN

Inconsiderate people rub "Eire" the wrong way. All "Eire" wants is to be a success in life.

"Thel's" pet peeve is "gossiping Sallies." She was a member of the Executive Council, Typing Club, and was the President of the Senior Hi-Tri. Upon graduation, it's business school for "Thel."

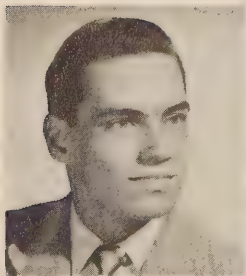

CHARLES BROWNE

The tennis courts have been "Chas'" haunt ever since his sophomore year. He hopes to work in the mathematical field after graduation.

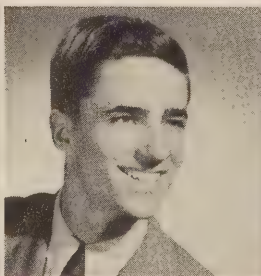

THEODORE W. BROWNE

"Ted" has been active in the Key Club and JV Baseball team. Someday he hopes to own a night club, and also see his favorite horses win.

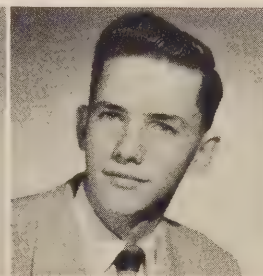

STANLEY M. BRYLA

"Stan," who's been active in the German Club, wants to fix his own salary. If you want to please him, don't misspell or mispronounce his name.

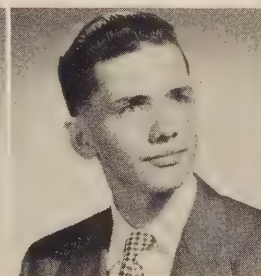

RICHARD T. BUESCHEL, JR.

"Dick" has been kept busy by Swimming, Hi-Y, Football, and Debating. His ambition is to study law and enter politics. He's annoyed by drivers—"every one of them."

"Roy," who wants to meet all his friends in Heaven, has been active on the Cross Country and Track teams. He also was a member of the *Entree* and *Milestone* staffs.

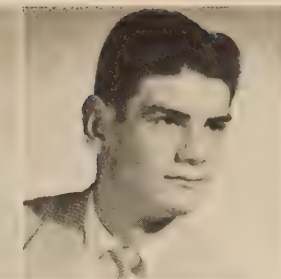

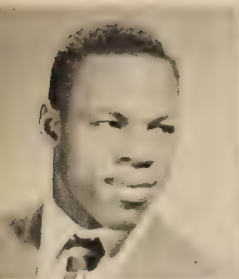

RAY CALLAHAN

The Male and Mixed Chorus and Dramatic and German clubs have kept "Candid Charlie" busy. Besides doing photography work, he was active on the *Entree* and *Milestone*.

MARIAN CALLAHAN

A Cheerleader and Student Council Representative, "Chippy" doesn't like nights without him (which him?). Her ambition is to be successful in all she sets out to accomplish.

THOMAS L. CAMPBELL

We're pretty proud that "Tom" has been on our side out on the gridiron. An all-around athlete, he's been on the Football, Basketball and Track teams.

ANGELO ANTHONY CARAVELLO

"Cockroach" is planning to become a Naval Air Cadet. Some of his activities were the Cross Country, and Wrestling teams. Girls who wear high heels irk him.

LORRAINE CARR

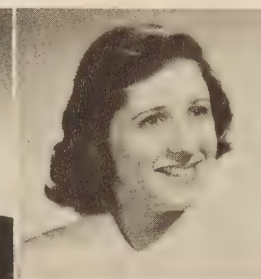

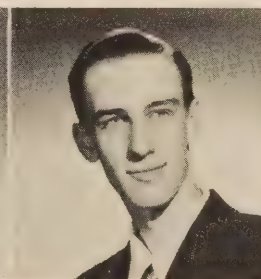

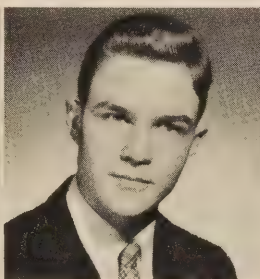

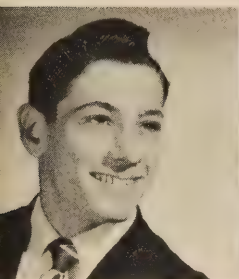

Boys, don't ride motorcycles when you're around "Larry." That irks her more than anything else. Active in Typing Club and on the *Milestone*, "Larry's" one hope is to be successful.

KATHRYN F. CARTER

This year, "Kat" was a member of Girls' Leaders Club. She wants to get married and raise children cheaper by the dozen.

DOLORES O. COLEMAN

Don't be fresh, fellows—"Do Do" doesn't like it. Hi-Tri, Old Testament Club, Archery and Basketball are among "Do Do's" extra activities. We wish you success as a nurse.

ALBERT COLETTA

Don't mention getting up in the morning to "Benny" unless you want your head taken off. He has been active in the Band, and he wants to become a toolmaker.

GLADYS COLWELL

Along with being captain of the cheerleaders, "Hap" has been a member of Student Council, Class Executive Council and *The PHS News Bureau*. Good luck as a secretary, "Hap." We hope you get to California.

"Larry," who dislikes cold women, wants to make \$25,000 a year—legally, that is. His activities include Varsity Tennis, Intramural Basketball, Freshman Baseball, and *The PHS News Bureau*.

CATH. E. COYNE

We're sure the secretarial field holds a bright future for "Cathy" who has been active in the Typing Club. Busy signals on the phone irritate "Cathy" the most.

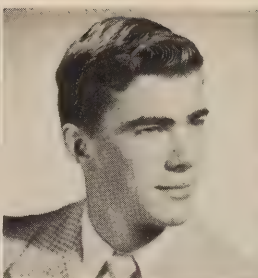

DOROTHY B. CROSBY

We all wish "Cookie" luck as a secretary. She has been active in Hi-Tri and in the orchestra. "Cookie" loathes lower classmen who think they're cute.

MARTIN P. CUNIFF

"Marty" hopes to work with boys' clubs or do agricultural work. He has kept busy as a Stage Electrician and as a member of the Boy Scouts.

RICHARD E. CURRAN

"Dick" is a fellow who is annoyed by persistent people. He was junior homeroom chairman, and is headed for a career in the newspaper field.

After Carmela is through school let's hope she hears no more alarm clocks. An active member of the Sketch Club and Senior Executive Council, Carmela's aim is to be an art teacher. Good luck!

ALICE C. CZERNIKIEWICZ

Boys who are last minute daters, steer clear of "Al"—you're her pet peeve. After graduation, "Al" is off to study beauty culture.

JAMES P. DALEY

You've probably seen "Jim" setting up a movie many times since he's been active in the Projection Club for four years. People who play a "uke" ink him.

WILLIE BELLE DAUGHERTY

Dashing for the bus every morning wears "Bob" out. She hopes to become a dental hygienist when she slows down. We hope she reaches her goal.

SHIRLEY DAVIS

"Shirl" hopes to be a theatrical producer. She's gotten a start in the senior play. She has also been active on the *Entree*, *PHS News Bureau*, and *A Capella*. Sixth lunch is her pet peeve.

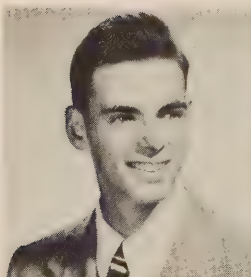

JANE G. DEMAREST

Look at all of "Demy's" activities — Manager of Cheerleaders, Usher, *Milestone* editor, Senior Play, Drama Club, *PHS News Bureau*, school choirs, and Basketball. Big words annoy "Demy" who is anxious to get off and see the world.

JOSEPHINE D'IMPERIO

Don't be bashful boys when "Jo's" around; she likes people and hopes in the future to meet many more. The Band, Twirlers, and the *Milestone* have kept "Jo" busy.

MARGARET DORSEY

A member of the Old Testament Club, "Peggy" wants to be a good dressmaker. We're sure she'll make the grade.

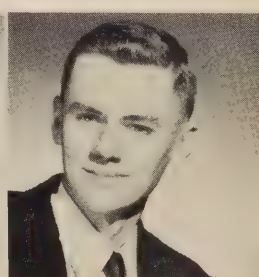

ALBERT DOTY

To become a millionaire without working would make "Al" happy. He's been active in JV Cross Country, Varsity Cross Country, and Intramural Basketball.

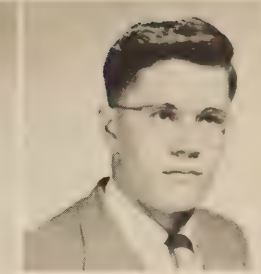

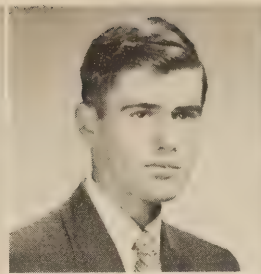

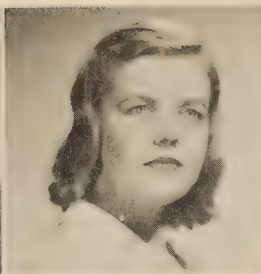

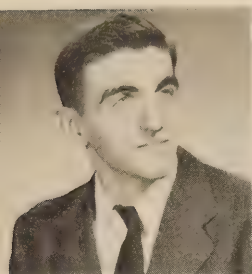

JANE DREIER

Oh, those week-end assignments! We can all sympathize with Jane on that score. Active in the Dramatic Club and Usher Squad, Jane's future plans include studying physical therapy.

**RONALD EATON**

"Darn that Ford" is the pet peeve of "Butch" who hopes to become a successful racing driver. We all wish him luck.

"Bob," a future history teacher, has been active in the Drama, Art, and World Federalist clubs. Today's children are his pet peeve.

DOROTHY J. EISENBERG

It's back to the beginning again for "Dottie" who wants to teach kindergarten. "Dottie's" kept busy on Student Council, Usher Squad, Milestone, PHS News Bureau, Library Council, and Drama Club.

JOSEPH W. ESLER

"Joe" was on the Varsity Football and Baseball teams and has served on the Student Council. He wants to go to California. His pet peeve? Girls who wear lipstick. Why?

**HELEN M. ESPOSITO**

People who show off aren't popular with "Butch" who wants to be a Physical Education teacher. She's gotten a good start by participating in Baseball, Basketball, Hockey, Tennis, and Officials Club.

ELSIE L. FAGGINS

People who don't keep their promises irritate "Butch." Designing and sewing are in the future for "Butch."

CATHERINE C. FASO

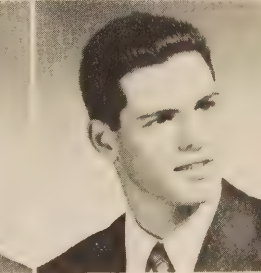

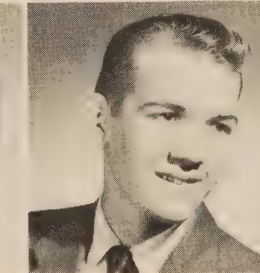

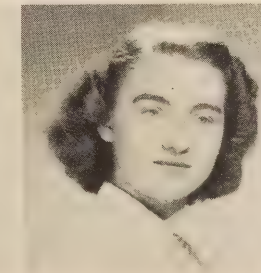

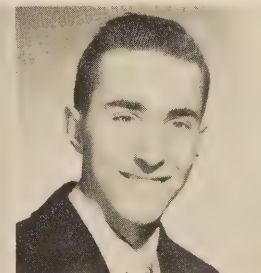

French Club, Leaders Club, Milestone, and Archery have kept "Cathy" busy. This active girl has an aversion for 8:25 in the morning—Don't we all?

L. JACQUELINE FEIL

Although quite an athlete with Tumbling, Archery, and Leaders' Club on her record, "Jacquie's" future plans include modeling. Her first name irks her.

RICHARD G. FERRIS

Some of "Dick's" activities include Student Council, Assembly Committee, and Projection Squad. You've probably seen him at the football games where, as manager, he's been busy taking care of the team. College is ahead for Dick.

**PATRICIA M. FOLEY**

Bleached blondes beware when "Pat's" around, for that's her pet peeve. Her activities have included Hi-Tri, and Spanish Club. All "Pat" wants is to be successful in life.

MICHAEL T. FORMICA

"Spike" has been active on the Track, Wrestling, and Intramural Basketball teams. He plans to work in an office after graduation.

BARBARA FORSYTHE

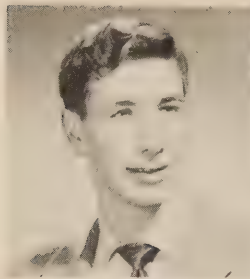

Please—her name is "Bobby" not Babs for that is her main peeve. "Bobby's" ambition is to get married. Now that's a thought!

FRANKLIN D. FOX

"Frank," who hopes to enjoy life working as a nurseryman, has been bothered by the new report cards. He was active in the Baseball and the Aloha Club.

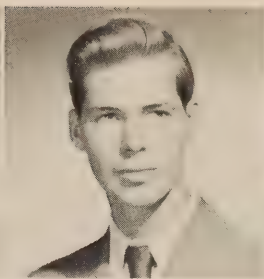

STEPHEN FOX

Dramatics, Entree, Milestone, and Student Council have kept "Steve" busy. He dislikes people who are too critical and is headed for college when his PHS days are over.

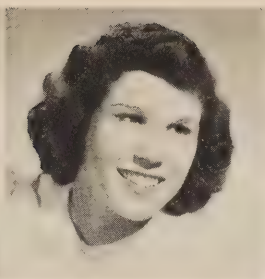

ALLAN FRIEDMAN

Allan's ambition is to become a research chemist. He is peeved by the lunch line (who isn't), and has been active on the **Milestone** staff, Math, Biology and Chess clubs.

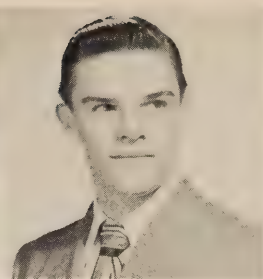

WILLIAM H. FRIES

Good luck to "Bill," our future forest ranger, who has been active in the Band while attending PHS.

GENEVIEVE ANN FURINO

"Jay's" ambition is to ride over the Niagara Falls in a barrel. Her activities include Student Council, and Typing and Drama clubs. Her pet peeve—boys. How about that!

Be careful, girls! Lipstick stains bother "Chuck" who was on the Track and Wrestling teams and Student Council Representative. He intends to see the world after graduation.

JEAN GARVIN

"Jeannie's" future plans include work—"each day and every day." She doesn't like taking tests, though. (Who does?)

MARY E. GIBBONS

"Gib" plans to work with juvenile delinquents. She has been president of the French and Girls' Leaders clubs and has been active as the Usher Squad, Drama Club, **Milestone** and **Entree**.

CYNTHIA J. GIBSON

Cheerleading, Student Council, and Usher Squad have kept "Gib" busy as well as being Treasurer of the Junior Class. She plans to become a medical technician.

"Marny," who is the senior class Secretary, is looking forward to college. Besides being Manager of the Cheerleaders, she has kept busy in the Student Council, Ushers, **Milestone** and the PHS News Bureau.

BARBARA GILES

"Bobi" is looking forward to an interesting career as a medical technician, and is peeved by flowerbees on counterbeeps. She has been active on the **Milestone**, PHS News Bureau, and the Usher Squad.

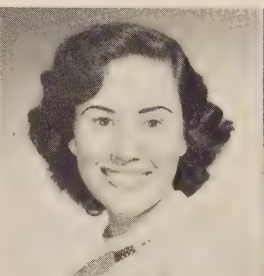

PETER J. GINDIN

"Pete" plans to attend college if the Army, his pet peeve, doesn't claim him first. He was a member of the Swimming team the **Entree** and **Milestone** staffs.

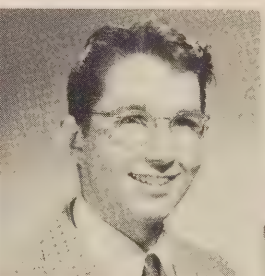

ANITA GIOINO

Nothing bothers "Neet" more than to wait for her other half, "Jay." A future nurse, "Neet" was in the Spanish Club.

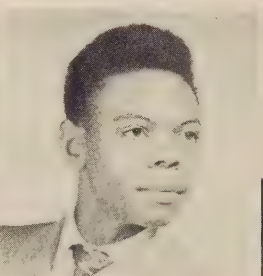

ZELDA GOLDMAN

"Zel," well known for the Twirling Squad, has modeling and singing in mind as her career. She is bothered by girls who chase boys for dates.

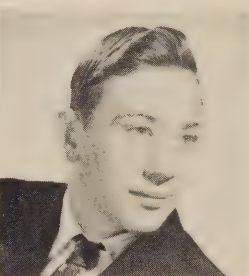

JOSEPH J. GOULET

Lockers that stick make "Joey's" blood pressure rise. He has participated in Baseball, Football and Track.

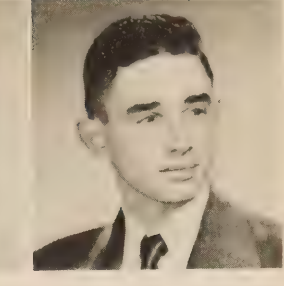

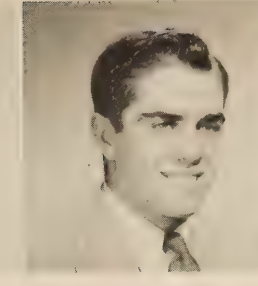

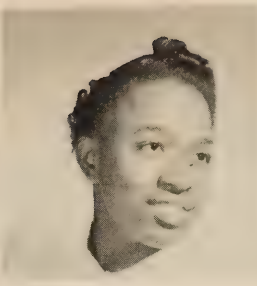

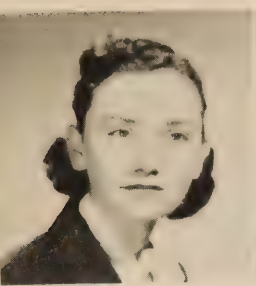

JAMES J. GRAVES

We'll all remember "Jim" for his outstanding art work. He plans to become a commercial artist, and with his talent, he'll be successful!

ROBT. W. GRAY, JR.

Sisters seem to annoy "Bob" who has been on the Wrestling team. His ambition? Ask Uncle Sam.

**BETTY A. GREENBERG**

"Hank," bothered by five-cent millionaires, hopes to be a court reporter. An active girl in sports such as Basketball, Softball, and Tennis, she has been in Leaders' and Officials' clubs also.

DELORES W. GREENE

"Dee" wants to be a social worker and is already on her way with YWCA, and social work to her record. Besides these, she was in the Sports Club and played Basketball. Nagg-ing people, beware when "Dee's" around.

ELIZABETH A. GREY

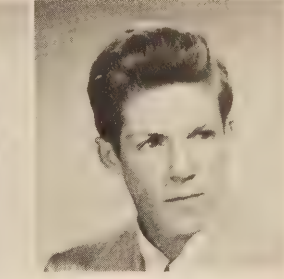

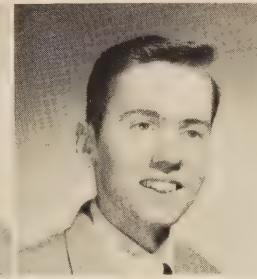

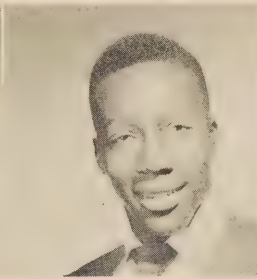

People who show off annoy "Betty," who is planning for a commercial career in the future. She has been an active member of the Hi-Tri and was in the Typing Club.

JACK GRISLEY

To be a successful lawyer is "Bob's" ambition. Maybe then he can do something about those long homework assignments that irk him so.

FRED VAN ECK

"Fleetfoot," as you know, has been outstanding on the Track and Cross Country teams. The Milestone, German, and Basketball clubs are also to his credit. News broadcasting is Fred's future ambition.

WILLIAM A. VENABLE

Here's another one of our graduates who wants to travel. "Bill" wants to see the world—every single bit?

"There is nothing worse than high-heeled shoes with slacks," says "Julie." Milestone, Typing Club, and Chamber Music Club are to her credit. "Julie's" ambition is to work in an office.

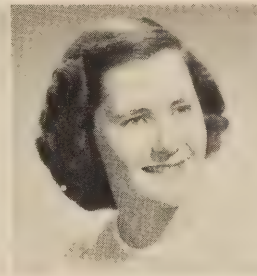

BARBARA L. VIETH

Nursing is in "Bab's" future. She has been active in Mixed Choir, Usher Squad, Milestone and Entree. She doesn't appreciate the "fascinating" aroma of the chemistry lab!

Red-eyed ants with glasses for some reason just don't agree with Dean. V Tennis, JV Swimming, and Student Council are some of his past activities in PHS.

KATHLEEN WALDRON

Active in the Usher Squad, Girls' Leaders and Office Machine clubs, "Kathy" hopes to be the secretary to a nice, easy boss. We hope so too.

WALTER R. WALKER

One sided umpires really annoy "Sonny" who was active in Varsity, JV and Freshman Baseball, as well as Intramural Basketball and the Senior Executive Council. His ambition is to become a pro-baseball player.

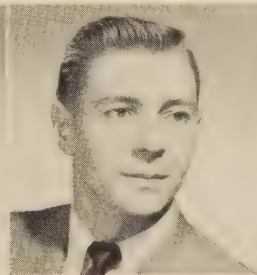

LORRAINE B. WALLEY

People who use incorrect English had better not be patients of this future nurse, if they value their lives! Dramatic, Biology and Typing clubs are among "Larry's" activities in PHS.

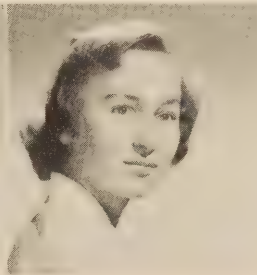

DONALD R. WALTER

"Don's" been active on the JV Cross Country Team during his Junior and Senior years. He hopes to become an artist.

PATRICIA ANN WEDGEWORTH

"Wedgie," who is bothered by "apple-polishers," has been active in Softball, Milestone, and as an S.A.T. Representative. She wants to play left field for the Brooklyn Dodgers. Hope you make it!

"Rae," who is peeved with people who argue, has been active in A Cappella, Mixed Choir and Ushers. Her plans for the future include a nursing career.

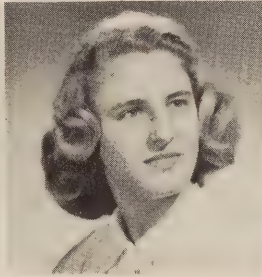

BARBARA L. WILLIAMS

To be a librarian and go to South America are "Muffit's" plans after leaving PHS. She was President of Library Council, as well as being a member of the Leaders Club.

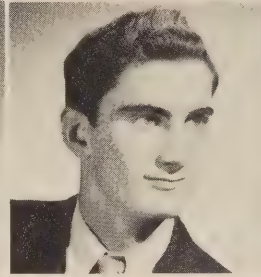

JAMES WILSON

To become a motion picture operator or a radio announcer is "Jim's" ambition. He has been gaining experience in the Projection Club these last four years. He has also been active in the Key Club. "Jim's" pet peeve is short skirts.

"Margie" deserves credit as Editor-in-Chief of the 1951 **Milestone**. She also was a member of the Modern Dance Club and is planning to attend Ohio State University.

JOHN J. WINZENREID

John is at peace with the world and so is minus a pet peeve. He wants to become a Mason. We hope he achieves his goal.

MARY L. WINZENREID

"Winnie" is against cliques and dull parties. Besides being secretary of her senior home-room, she was active in the German Club.

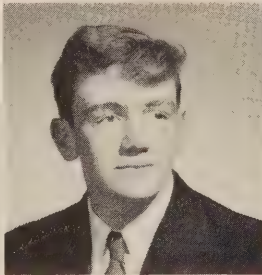

CAROLYN WITTMAN

Although Editor-in-Chief of the **Entree**, Carol has found time to be in the **PHS News Bureau** and the Dramatic Club. We hope she'll find success in the field of advertising.

KATHLEEN WOLF

To play the piano like Mr. Pents would suit "Kathy" fine. Her pet peeves are motorcycle cowboys. She has been active in the **Entree**, A Cappella Choir, the Drama, Office Machines, and Hi-Tri clubs.

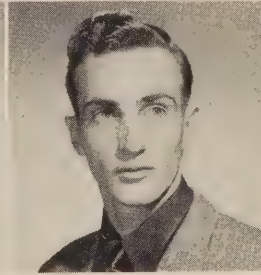

BENJAMIN J. WOOD

Girls who walk like camels are the main dislike of "Ben," who was active in the Radio Club. He wants to become a "good sailor," and then someday go into the air-conditioning business.

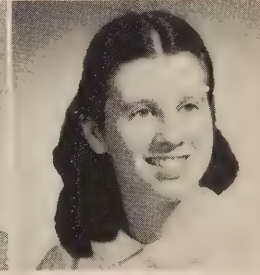

MINNIE C. WOOD

"Min" dislikes the social circle. Her ambition is to be successful in whatever she does. We wish her luck.

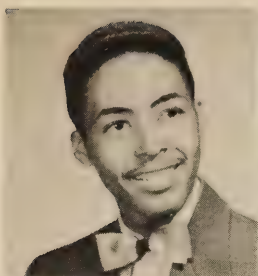

ARTHUR WOODRUFF

"Can't stand those long skirts," says "Woody," whose ambition is just "to live a long and happy life." We wish him luck.

ANTH. DALESANDRO

Varsity Football and JV Football have kept "Tony" busy. His ambition is to make a million dollars and then retire. We hope he succeeds.

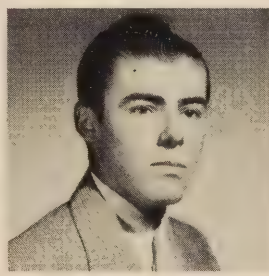

ROBERT CRAIG

"Bobby" is a happy man with no pet peeve. He is undecided about his future. We wish him luck in whatever he chooses.

THE JUNIORS

The art of study

Left to right: T. Bremble, A. Guinness, V. Zieman, E. Herman.

[38]

What luck! A movie!

We, the Juniors, are heading for our last year right around PHS. It seems as if we just started the big venture only yesterday.

In our first green year we chose Joyce Popovitch as our president who was ably assisted by Bill Luce, Nancy Joy, and Ruth Borsuk. The scared looks on our faces were almost gone by the time we held our Freshman Party. It was a terrific success—both financially and socially.

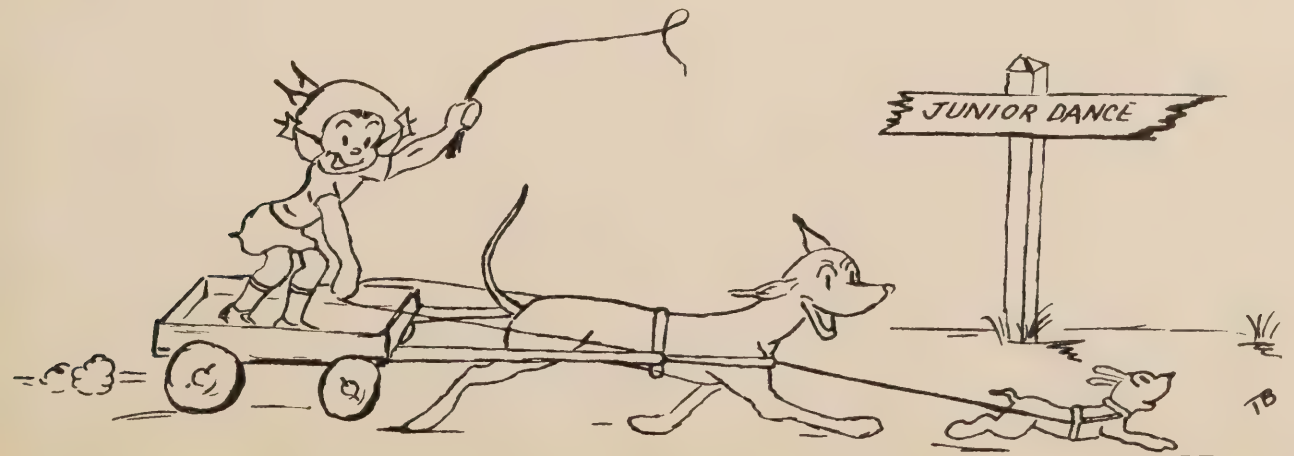

Before we knew it, we were sophisticated Sophomores who didn't let the new Freshman forget it for a minute. Our class project was the selling of red and blue PHS stickers and decals. Pete Lawson, Martin Sinteff, Diane Young and Ruth Borsuk became our officers for the year. The next big step was the Sophomore Dance. We decided to become hill-billies for the evening. Fred Reicke's band created the proper atmosphere for the square dancing. The dance was well attended and it added a few shillings to our Treasury.

We began our Junior year by choosing Ted Bremble as president. Eugene Herman, Jinny Zieman and Anne Guinness were our other officers. We were well represented by members of the class on various committees and projects. Our dramatic group won various recognitions and Faith Nachman was chosen "Actress of the Evening" at the Interclass Play Tournament. Student Council had our support and relied upon Bill Luce to keep the budget in order. The Juniors could always be found cheering the hard working members of the athletic teams on to victory.

But, of course, we all remember our Junior Dance, another big success! The dreamy music of Bill Sayre kept us in the proper mood for our theme which was "Gateway to Heaven." The biggest thrill for us, though, was being eligible to attend the Junior-Senior Prom, the social climax of the year.

Now, with our final goal in sight, we're ready to carry on the tradition and spirit of PHS as has done the present Senior class.

THE SOPHOMORES

Nothing to do?

Left to right: N. Resnikoff, L. Comi, H. Skolneck.

Let's go! I'm hungry!

We're well acquainted with things right around PHS now because we're the Sophomores. Of course we know our way around. We know there is no elevator but that didn't stop us from telling the Frosh about it. However, we were glad when the system of one-way traffic and up-and-down stairways was abolished, and the lunch periods were lengthened.

Our first official job as a class was to elect our Freshman officers to lead us through the year. We chose Stuart Lambert, President; Neal Resnikoff, Vice-President; Joan Gladden, Secretary, and Paul Troth, Treasurer. It's agreed they all served us well. When each home room sent a representative to Student Council, our voice in the school government, small though it may have been, was heard.

Our social debut was made at the Freshman Party in February. The more talented members of the

class provided the entertainment, and we felt we really belonged right around PHS.

However, our activities were not just confined to the social field. We had plenty of homework to keep us busy while clubs and extra-curricular activities occupied what time was left.

This year our class of '53 is no longer green and inexperienced. We're wise Sophomores well versed in the ways of our school. In January, the rest of the school square danced and polkaed through an evening at our **Hillbilly Hop**, the first big dance we gave.

As upper-lower classmen we've made ourselves known right around PHS. Under the able and tested leadership of Stuart Lambert, who was again elected President, and his fellow officers, Harvey Skolneck, Loretta Comi and Joan Gladden, we have shown that PHS will not be lacking when we become Seniors.

THE FRESHMEN

Art for art's sake

Left to right: L. Mann, R. Miller, S. Kramer, B. Corbin.

Bill
Sullivan

"Incipit vita nova."

"Bewitched, bothered, and bewildered" were we, the class of '54, during our first few days in PHS. It all began Freshman Day, a day planned just for us to become acclimated to our new surroundings. The weeks that followed were most trying: We were bewitched with a wonderful new life that had at long last come our way, bewildered figuring out the shortest route to our next class, and bothered deciding whether or not the rapid transit elevator would take us to the third floor with the least effort and in the quickest time. Maybe it was because the elevator wasn't running that day that we were late to class. Oh well. Just wait 'til next year, then it will be our turn.

It didn't take us long to get into the swing of things, and soon we were all kept busy with the many extra-curricular activities offered us. Then October

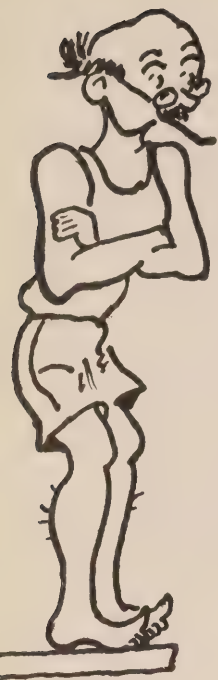

rolled around, and with it the election of our class officers. There's no doubt in our minds that we made the right choices in selecting Lowry Mann, Dick Miller, Susan Kramer and Barbara Corbin as President, Vice-President, Secretary, and Treasurer to do the job.

Early in December our exclusive social event occurred. The Freshman Party was a wonderful opportunity for those of us who went, giving us a chance to become better acquainted with new friends, and to catch up on the doings of our grammar school friends of whom we had seen so little since coming to PHS. What with dancing and various other forms of entertainment, we all had a swell time that night.

Our first year right around PHS has gone quickly and now we are eager to move up the ladder of our school until in '54 we reach our goal—graduation.

Family Portrait.

"Cheaper by the Dozen," the Senior play, brings to our minds . . . George and Olga with operatic solos . . . Jane's glasses that wouldn't stay on . . . Floyd and Alice bouncing along in the Pierce Arrow . . . Joe unable to pick up his cue, "At it again," because of a mouth full of peanut butter . . . the sudden appearance of ten new redheads . . . Alice explaining about the girl who "didn't wear a teddie" . . . Miss Mixer encouraging, shouting, and laughing . . . and as the final curtain dropped, "Love's Old Sweet Song."

MILESTONE STAFF

Looking back, the staff of the 1951 **Milestone** remembers the meeting held in the spring of 1950 to make initial plans and the fall staff meeting at which we chose our theme. In a short time, the various members received their assignments. There were more meetings to attend, deadlines to meet, and pictures to identify. But under the constant pressure of the editors, the book was finally pre-

pared for the publisher. The staff remembers gathering for the **Milestone** dinner to celebrate a job well done. Finally they remember the eager students waiting to receive their 1951 **Milestones**. For the Freshmen, their first, for the Seniors, their last, but for everyone, a book with many memories of the school year.

STUDENT COUNCIL

Although the discussions varied in importance from who would blow a whistle at the end of fifth lunch, to whether or not the band would sit in the stands at home football games, the **Student Council** solved many problems which concerned our student body. Furnished with an excellent picture of democratic government in which they took an active part, these students met weekly to dis-

cuss and vote on issues important to all. The representation consisted of two seniors, two juniors, one sophomore, and one freshman from each homeroom. This year's officers were Jim Peale, Ricky Johnson, Nancy Walker and Bill Luce. Sponsoring the group were Mrs. Marcia Westpfahl, Dean Lola Hoff, Mr. Charles Detgen and Mr. Waldro Kindig.

EXECUTIVE COUNCIL

The committee that kept the wheels of the Student Council rolling was the **Student Council Executive Council**. Two important tasks of this group were drawing up the agenda for the Student Council meetings, and ushering at P.T.A. meetings. The four class presidents, the four Student Council officers, and the chairmen of the four standing committees formed this council, which met weekly in the library annex. Sponsors were Mrs. Marcia Westpfahl, Dean Lola Hoff and Mr. Charles Detgen.

LIBRARY COUNCIL

Trips, special programs, and parties were a few activities of the **Library Council**, which met under the leadership of Miss Josephine Miller and Miss Catherine Moraller. The Council had a two-fold purpose, to interest the students in serving their school through work in the library, and to give students knowledge of library materials and techniques. The officers were Barbara Williams, Toubie Mitchell, Mary Zec and Cynthia Falkers.

ASSEMBLY COMMITTEE

The **Assembly Committee** met with Miss Virginia Mixer to plan worthwhile assembly programs to be presented in the best possible manner. Carol Sand was chairman of the committee, which was composed of five seniors, four juniors, three sophomores, and two freshmen, appointed by the President of the Student Council. This committee planned the assemblies, assisted in producing the weekly programs, and judged them in regard to their educational value and interest.

GIRLS' LEADERS CLUB

The members of the **Girls' Leaders Club** were selected by the girls' gym teachers on the basis of personality, outstanding athletic ability, cooperation, and leadership. These girls were well trained in all fields of athletics by Mrs. Ruth King. The girls were assigned to gym classes where they took attendance and assisted the teacher in charge in various ways. The best leaders of the year were awarded pins in June.

NEWS BUREAU

The **PHS News Bureau** was composed of a group of students united to gather and write school news for the **Plainfield Courier News**. Started in September, 1949, the **News Bureau** has become one of the most functional organizations of Plainfield High School. Mr. George Strub, supervisor of this group of "budding journalists", gave out assignments, and the members were rewarded by seeing their stories in the **Courier-News**.

ENTREE STAFF

After frantically scurrying for interviews and using the strongest powers of concentration in order to think of original leads, the members of the **Entree** staff sighed happily when they finally saw their stories in print. The editor-in-chief, Carolyn Whitman, the adviser, Mr. John W. Simpson, and the staff are to be congratulated on their

superb work in making this one of the most successful years in **Entree** history. The **Entree** is a bi-weekly publication, distributed in the lunch periods by Jeanette Mendello, the business manager, the members of the business staff, and Mr. Hamilton Otto.

TWIRLING CLUB

The **Twirling Club** was started last year by Mrs. Philomena Garrettson. The beginners learned the skills of twirling and marching, while the advanced group worked on routines for marching. Most of the advanced members twirled with the band. This Club provided a chance for students who were interested in being on the twirling squad to gain experience, since girls for the following year's squad are selected through try-outs from this club.

BAND

Eighth period every afternoon during football season, faint murmurs of stirring marching music penetrated the more studious rooms of PHS. The **PHS Band** was practicing again, led by their chief trumpeter, Mr. Clarence Andrews. Besides giving the football games that extra dash and color, the **Band** participated in the special pep assemblies. The highlight of the year was the final concert in the spring.

ORCHESTRA

Silence! Rehearsal is beginning. These devotees of music who watch their conductor so closely are members of the PHS **Orchestra**. Under the direction of Mrs. Ellen Brown, who boosted the string section with her violin, and Mr. Clarence Andrews, the **Orchestra** presented special programs of music for assemblies and the class plays.

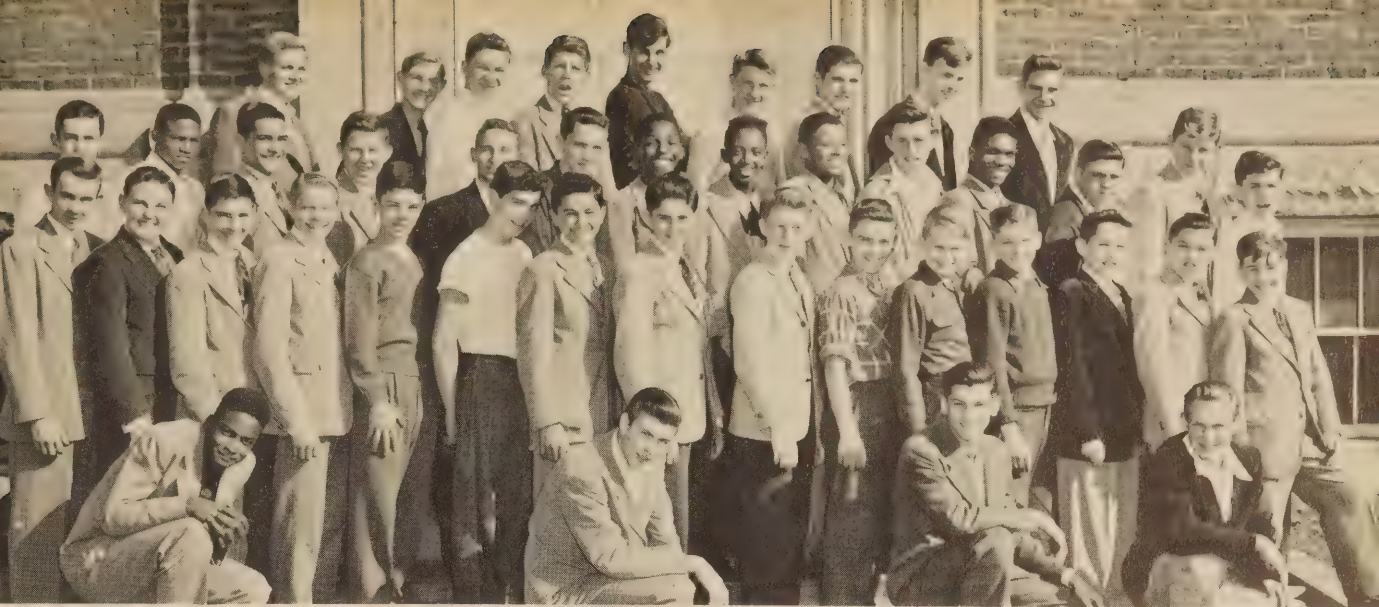

MIXED CHORUS

Did you ever pass the music room some Wednesday morning and hear the sound of bells or scales? Our own **Mixed Chorus** was practicing songs for Christmas or for the main spring event, the Choral Festival. This choir, under the direction of Mrs. Vera Monez, sang for many of our local clubs in Plainfield.

MALE CHORUS A CAPPELLA CHOIR

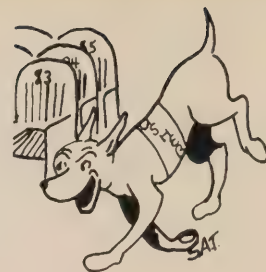

Girls, you're out of luck. The **Male Chorus** is for males only. Mrs. Vera Monez directed the fifty boys singing every Tuesday assembly period. Just think, some famous singers of the future may be in this group of boys.

The **A Cappella Choir** directed by Mrs. Vera Monez performed in assemblies, for outside organizations, and at the annual Choral Festival. A special event this year was the club's program with the Mendlesohn Glee Club.

USHER SQUAD

Did you envy those students wearing the red and blue armbands in assembly Thursdays? They were members of the **Usher Squad**. At the end of their Junior year, many students apply for appointment to this squad and are voted on by the faculty. The selected students ushered for all school activities and also assisted as ushers for outside organizations during the year. Dean Lola Hoff supervised this group of students who assured smoothness in entering and leaving the auditorium.

CHEERLEADERS

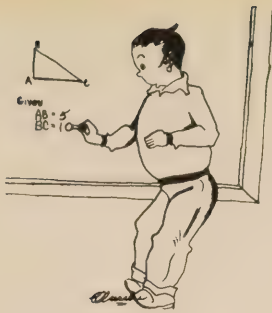

During any Monday club period and also several afternoons, shouts could be heard from the girls' gym as the **Cheerleaders** practiced again. This group met not only to form new cheers, but also to perfect their motion precision. These girls, rain or shine, on the field or in the gym, cheered our teams to victory. The Cheerleaders promoted more uniform cheering and school spirit. The squad participated in several assemblies and pep rallies throughout the year.

MATHEMATICS CLUB BIOLOGY CLUB

Do you know your multiplication tables? Of course, you do, but the members of the **PHS Math Club** know much more. The ambitious students who composed this club took up some of the aspects of math not covered in ordinary classes, and what is more, they enjoyed doing it. If you find this fact hard to believe, just drop into room 361 any Monday morning assembly period. George W. Garthwaite, the adviser, is on hand to settle all mathematical problems.

Are you interested in frogs, worms, snakes, plants or microscopic work? The **Biology Club**, under the direction of Miss Gertrude Moodey, offered students an opportunity for further study in those subjects. The club was limited to ten members who met Monday assembly periods. They worked with microscopes, making slides of frogs' blood; if they chose to, members could also make slides of their own blood. Each member worked in a field which could never be extensively studied in a regular Biology class period.

PROJECTION CLUB

Every Monday during activity period the **Projection Club** met under the supervision of Mr. Caryl Dunavan. The students who made up this club, about twenty-five in number, operated all kinds of visual aid equipment for classroom use. If a movie was shown in any room in the building, you would be sure to find one of the hard working members of this club operating the projection machine.

OFFICIATING CLUB

"You're out!!" "Net-ball!!" These are just some of the many cries you might hear coming from the girls' gym Friday Assembly period. The newly organized **Officiating Club** made its debut this year under the sponsorship of Miss Marion Newson. The members, chosen for their outstanding ability and knowledge of sports, were given special training in officiating in basketball, softball, and other games. They also presided at final intramural tournaments.

STAGE ELECTRICIANS

Lights! Action! Cameras! Yes and these lights and cameras were handled and operated by the **Stage Electricians** of PHS. This group, under the direction of Mr. Eric Nelson, consisted of twelve boys from freshman to senior. These boys were on hand to operate the switchboard backstage for every school performance which was held in the auditorium, and for many performances sponsored by outside groups.

FRENCH CLUB

Parlez-vous francais? You don't? Better join the **French Club**. No English was spoken during their meetings. A trip to New York was only one of the many activities planned by this club. Club periods included singing, dancing, playing games, and seeing movies, all in French, of course. Miss Katherine Pratt supervised this active club, which met every Monday morning during assembly period.

Standing: Miss K. Pratt; **First Row:** B. Vieth, D. Rinehart, K. Moore, R. Shapiro, L. Albert, A. Smith; **Second Row:** J. Turner, K. Tasio, J. Feil, G. Tzamos, P. Najim, K. Fowler.

LATIN CLUB

The **Latin Club** furnished students interested in Latin, the parent of so many romance languages, with an opportunity to learn about the lives of famous Roman men, customs, and the language and civilization. The members of this club learned to understand and appreciate the influence the Roman people have extended over our Western civilization. The group met every Monday assembly period under the guidance of Miss Eleanor Horn.

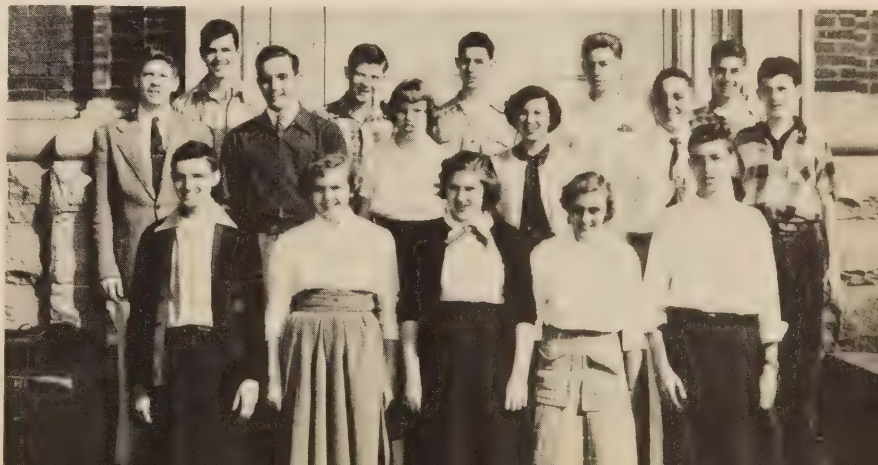

First Row: J. Cuniff, H. Goggin, F. Blatz, M. Sinteff; **Second Row:** K. Buckelmueller, L. Bloom, M. Jacobsen, D. Wermann, B. Day, E. Lyons.

Der Schuler Schaftgemutlich Keitsverein

Wie gehts! Want to learn more about the culture and customs of Germany? If so, why don't you join the members of the PHS German Club, **Der Schulerschaftsgemutlichkeitsverein**, during Monday assembly periods? The club members, kept under the watchful eye of their sponsor, Mr. Robert Cloos, had a busy program this year, which included a study of the singing, folk-dancing, and games of Germany.

RADIO CLUB

Want to build your own radio? Join the **Radio Club**, under the direction of Mr. John McCurdy and Mr. John Pearson. This club hopes to have a radio station of its own someday. With the progress they've made this year, it won't be long until PHS does have its own station. The members of this club had an opportunity to build their own sets and also received instruction in Morse Code, which one must know before becoming a licensed amateur radio operator.

CHESS CLUB

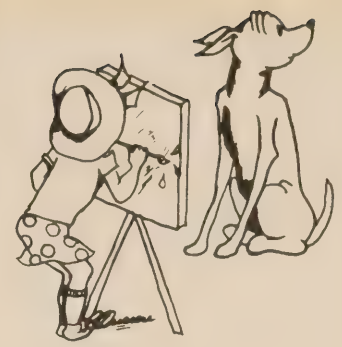

Checkmate, stalemate, ah, foiled again! These are very familiar sounds that came from the **Chess Club** meetings which took place Monday afternoons. It took time and patience to excel in a game such as chess. The club met informally once a week under the supervision of Mr. Leonard Ziacoma. The members got much pleasure and relaxation from the game of kings. This club holds the honor of being the oldest club in PHS. It had its beginning in 1913.

[72]

First Row: E. Pryor, S. Potter, R. Holdaway; **Second Row:** B. Germoner, D. Skucas, C. Gale, S. Klapper, B. Sparge, Mr. L. Ziacoma.

SKETCH CLUB

Monday assembly period brought together the artists of PHS in room 321. Directed by Mrs. Marjorie McConnell, the members of the **Sketch Club** gained much experience in clay modeling, painting, cartooning, and sketching. Their creations have often brightened the school showcases, and were also displayed in various art exhibits outside the school. This club's members were selected from those students who showed an outstanding ability for wielding the brush, pen, and pencil, and a desire for regular work in this field.

MODERN DANCE CLUB

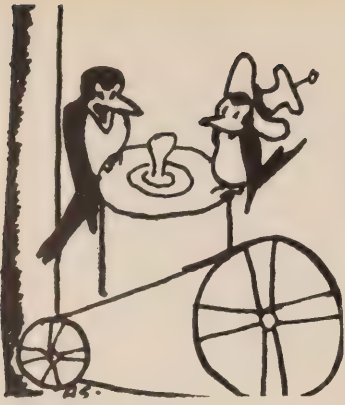

The **Modern Dance Club**, although fairly new, was well known by PHS students, both male and female. The club consisted of twenty-one girls who were selected by tryouts in the beginning of the year. These girls met under the direction of Mrs. Virginia Hogan who taught them advanced techniques and helped them create their own dances. This year they took part in the PTA Show, the Art Festival, and also did various assembly programs assisted by the after-school modern dance group.

OFFICE MACHINES CLUB

Under the supervision of Mr. Carl Persinger, the **Office Machines Club** provided an opportunity for students to become acquainted with the different types of special equipment used in the office. The electric typewriter, the mimeograph, adding and dictation machines were only a few of such office machines. The members of this club also discovered what special aptitudes they possessed. In this club they developed their skills to a greater degree by having a chance to use these machines every Monday during club period.

RECREATION CLUB

Membership in the newly organized **Recreational Games Club** was open to students from all four classes. A need was felt both by the faculty members and students for a club in which the pleasure and enjoyments of games could be shared. Students who wished to learn games such as bridge, canasta, and monopoly for social purposes were welcome in this club. Miss Florence Firth sponsored this group which met Monday assembly periods. The club was very successful and interesting to its members.

TYPING CLUB

The **Typing Club**, under the direction of Mrs. Ruth Wyer, was primarily for students who wished to improve their typing ability. The club was designed for both beginners and advanced typists. The club members were allowed the privileges of typing work of their own choice. Students could make up back work and time tests, or type themes, notebooks, or anything else in which they were interested. This club also gave students who didn't have a machine of their own, a chance to type.

BOYS' COOKING CLUB

The **Boys' Cooking Club** attracted many of the Freshman boys. According to Miss Muriel Miller, there was much work to be done in the forty-minute period. Recipes had to be studied and explained; ingredients had to be measured accurately. Then the food was prepared; the table set; and the kitchen left spic and span. These boys made foods that didn't require much time to prepare. The boys learned the names of the pots and pans and other utensils which they used.

Senior Dramatic Club

Under the direction of Miss Virginia Mixer and the leadership of President Jean Shuha, the members of the **Senior Dramatic Club** started working on a play to be given for the Inter-Class Play Contest. The Broadway bound seniors participated in the Plainfield Area Little Theatre Conference. Another activity was giving one act plays to build up their treasury. Curtain time at this year's senior play found several members of this club "on stage." Any ambitious seniors with acting ability were welcome to join this club.

Junior Dramatic Club

The **Junior Drama Club** was very pleased to work with a teacher new to PHS, Miss Florence Pollock. The members organized a program committee composed of their officers which was responsible for the club meetings. Each week reports were given on plays seen by the members; television shows, costumes and make-up were also discussed. Members also took part in monologues and short plays. The Inter-Class Play Contest was one of their biggest projects. As a reward for their interest in the theatre, the group held a theatre party.

Sophomore Dramatic Club

Freshman Dramatic Club

Eager and very interested are the members of the **Sophomore Dramatic Club**. The members started the year by doing pantomimes and monologues. The planning, casting and rehearsing of an assembly program topped the club's activities for the year. The members chose a program committee which planned a trip to a dramatic play in New York as another highlight. Under the guidance of Miss Eileen Cash, who endured their struggles with much patience, these sophomores gained experience which will be invaluable to them in future years.

Under the direction of Miss Margaret Brady, our future Katherine Cornells and Lawrence Oliviers learned the "know-how" of the stage. The members of the **Freshman Drama Club** met Monday during assembly period when they received their first taste of grease paint. At the club meetings, the frosh became acquainted with the PHS stage, which they will see a lot of during the next four years. The club's efforts were rewarded by the presentation of a one act play at the end of the year.

SPORTS APPRECIATION CLUB

The **Sports Appreciation Club** under the supervision of Mr. Eugene Hubka, was organized this year especially for students who did not have an opportunity to participate in any varsity sport. During the meeting, different sports plays were discussed and movies were shown.

TRACK CLUB

The motto of the **Track Club** could be "enter and practice!" The boys practiced many skills: high jumping, hurdling, running, broadjumping, shot putting, and discus throwing. The club helped to keep the boys in condition for spring events. Mr. Harold Bruguere supervised this group.

OLD TESTAMENT CLUB LIFE SAVING CLUB

Helping its members to find the message that the Old Testament holds for them is the **Old Testament Club's** main purpose. Through slides, films, speakers and discussion groups they learn to understand and appreciate the Old Testament. Many former members have gone into part or full time church work.

Twenty-two boys met under the direction of Mr. Jack Liddy to spend a worthwhile activity period learning about life-saving. The boys who succeeded in passing their tests received Red Cross certificates. The **Junior and Senior Life Saving Club** was limited to junior and senior boys.

GOAL TO GO!

[84]

Chalk up another championship football team for PHS. The Smithmen again captured the Group Four title of Central Jersey.

Led by the passing of Ward Talbot, the driving power of Dick Snell and Cliff Payton, and the running of Tom Campbell, the Cardinals completed their season by winning seven games, tying one and dropping a heartbreaker to Columbia.

One of the surprises of the year was the fine work of the linemen, Bob Kindig, Milt Campbell, Joe Esler, Herb Hush and Dick Mathewson.

Starting the season with an unimpressive victory over Long Branch, the Cards gained experience and power rapidly to prove themselves a hard-driving, clever team.

The next game was against Columbia. Coach Smith really drilled his boys for this one. The Cards were playing virtually the same Columbia team that had come so close to beating Plainfield last year. After a 14-7 lead at half-time, the Smithmen laxed in the second period to be on the short end of a 21-20 score.

Bound Brook battled the Cardinals in the next fray, only to find Plainfield too big and experienced.

In the Perth Amboy game, the Cards really showed their stuff. Not letting the odds upset him, Ward Talbot guided and passed the Cards to a 21-21 tie. He was greatly aided by Milt Campbell's receiving, Tom Campbell's running and Harry Lambert's place kicking.

Somerville and Thomas Jefferson were next to taste defeat at the hands of the Cards.

The North Plainfield game pleased all the Cardinal rooters. Plainfield romped over the "Frogs" by a 38-6 score.

After knocking off Carteret, the Smithmen gained a most decisive victory over Westfield and were the first club in 24 years ever to beat the Blue Devils two years in a row.

All in all, the Cards were swift, powerful, and steady at the right moments, thus enabling them to wind up a fine season.

TOPS IN

Starting slowly the Plainfield undermen lost the Union County Relay and Newark Board of Education titles by very close margins. Then, gaining momentum, Thomas Jefferson and Westfield were defeated in duel meets. Thereafter, the Cards regained their old form by sweeping the Long Branch Relay, Union County and Central Jersey championships.

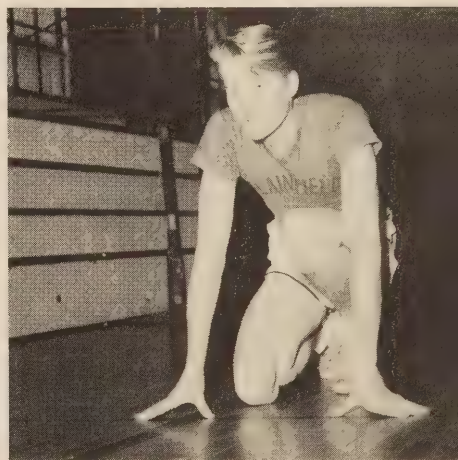

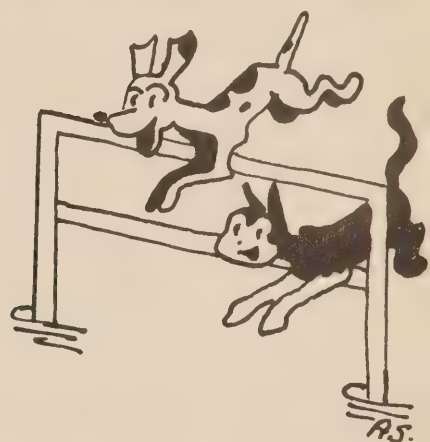

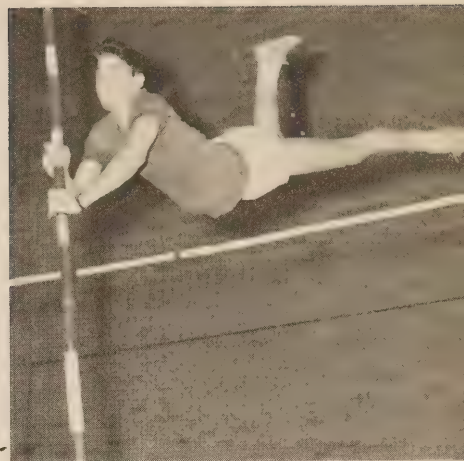

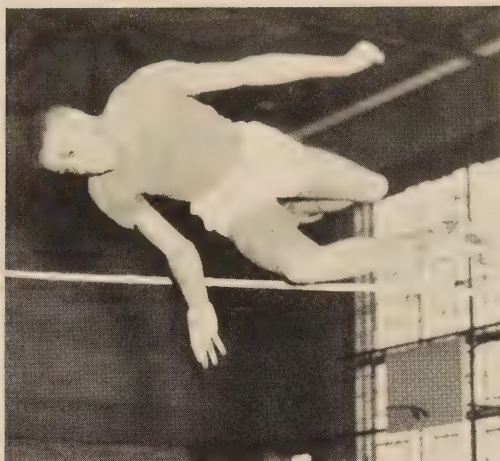

At the state meet, the mighty Cardinals reached their

peak of perfection. Led by three well performed firsts, Plainfield regained the title lost in the 1949 season.

We have been state champs five times—'44, '45, '46, '47, and '50.

Tom Campbell again took the 120-yard high hurdles in 14.9 seconds. His freshman brother, Milt, was right behind him in the high hurdles and also went on to take his specialty, the

low hurdles. Senior "Wink" Diana tossed the javelin for 160 feet and a first place. Other mention goes to Hilliard Williams, javelin; Dick Mathewson, high jump; Alex Branch, broad jump; and Milt Campbell, discus; who also placed.

Leading Coach Harold Brugiure's very successful team were Tom and Milt Campbell, Dave Knight, Dick Mathewson and Ted Bremble, hurdlers. Distance standouts were Fred Van

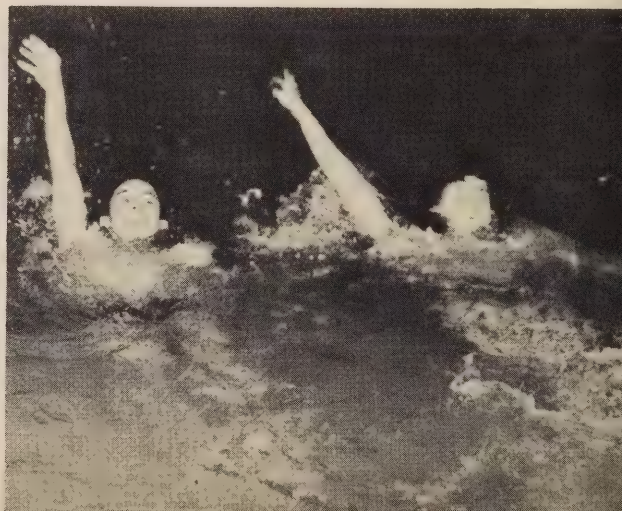

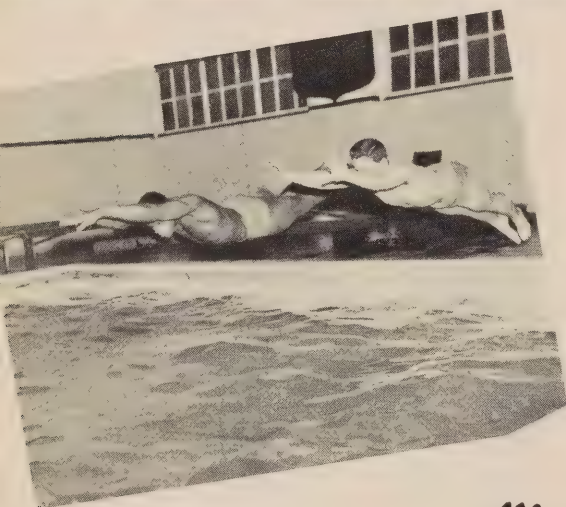

Eck, mile; Bill Luce, half mile; and Charles Quinn, quarter. The dashes were well taken care of by Dick Washington, Joe Grimes, Art Schroeder, and the two Campbells. The field men who excelled were Milt Campbell, shotput; Bill Marsh, Don Luce and Dick McDonough, discus; Hilliard Williams and Wink Diana, javelin. Dick Mathewson and Milt Campbell were the high jumpers and Alex Branch and Toby Stewart, standouts in the broad jump.

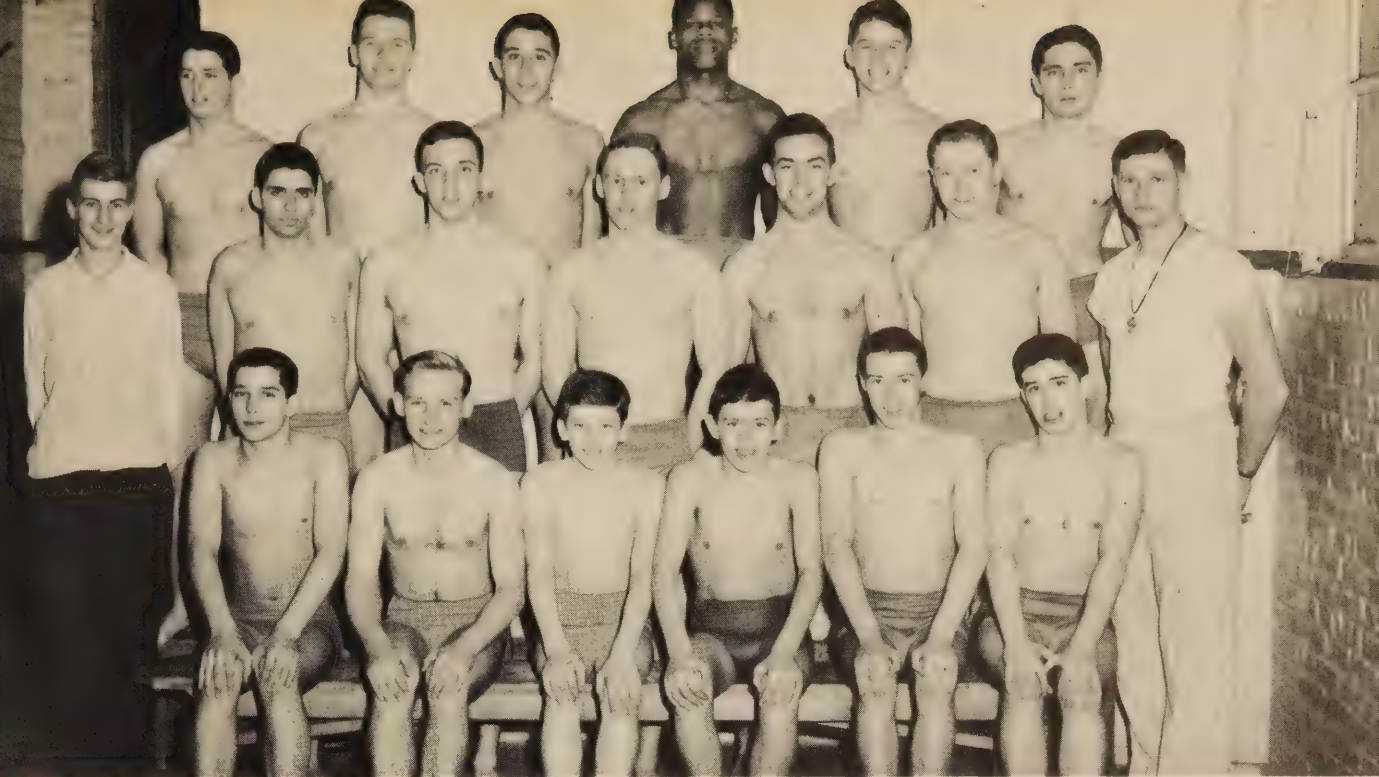

Captain Liske's Seadogs

The PHS Swimming Team again defeated every high school it faced in dual competition. Although the Plebes from West Point defeated the team, the PHS mermen, under the excellent coaching of Vic Liske, had a perfect season with all the high schools they faced. Morristown bowed once in defeat while Fairlawn, Westfield, Irvington, Columbia and Lincoln each went down twice. These eleven wins give Coach Liske and his swimming teams of the past four years a total of 54 wins in 55 meets, losing only to Columbia in 1950.

At the State Meet Plainfield took third place. Bill

This year's seniors who swam for the last time were Jay Andrews, Pete Gindin and Val Skov.

Back next year will be such standouts as Al Fitts, Don Fort, Pete Lawson, Howard Keller, Larry Bartlett, Denton Seybold, Herb Taylor, Bill Dreyer, Ted Bernstein and Marty Dreyer.

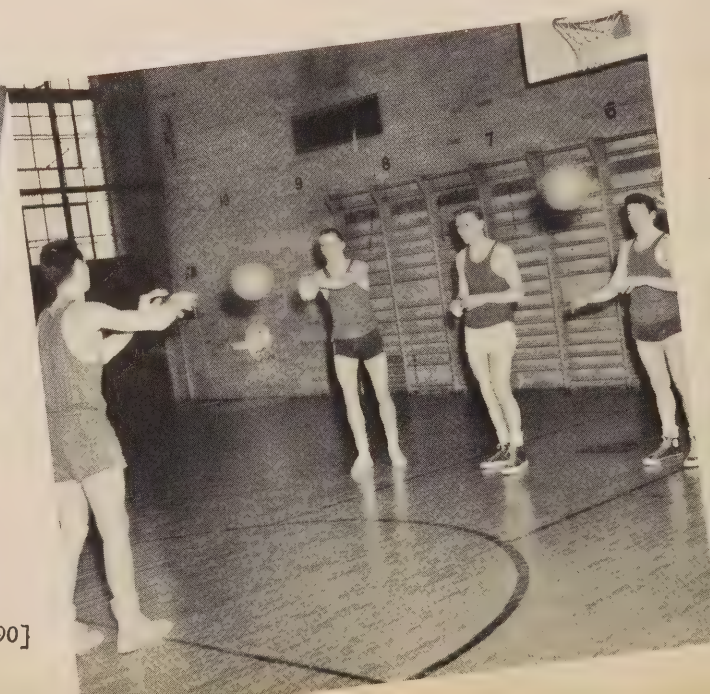

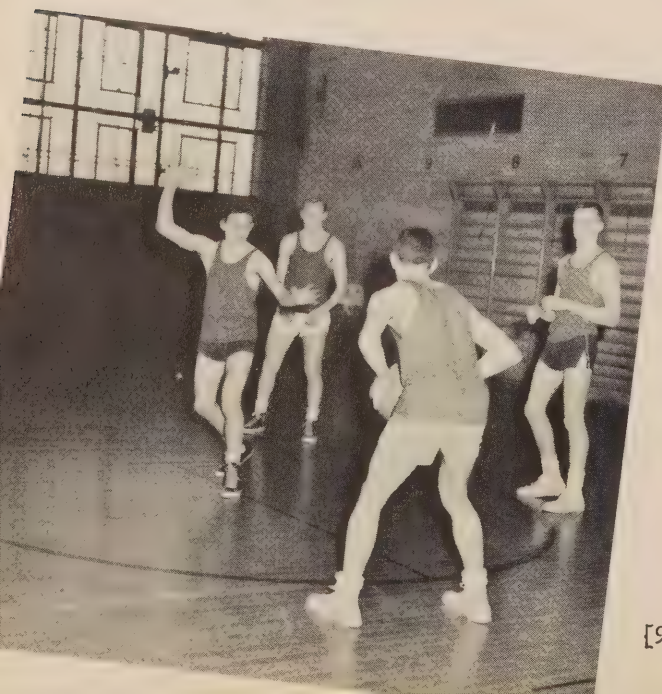

OVER THE RIM

The Cards this season were better than average with a 10 win, 7 lost record. Three of their losses were by only one point. Under the supervision of Coach Wilbur Brann, the Cards held the city championship which our last year's team regained after five years. The scores of the Canuck's game were 57-20 and 40-32. Plainfield was also victorious in two games over Cranford and Bound Brook. These scores were 74-47 and 47-32. The Cards upset Linden in the first game but Linden beat us in the second. Plainfield also split with Westfield with scores of 54-49, Westfield winning, and 61-43, Plainfield's win. The Cards won

over Hillside and Dunellen by scores of 77-30 and 62-49. On the losing side, Plainfield lost two to Regional and Rahway and one to Roselle Park. The Cards also lost to Rahway in the County Tourney. In the state tourney the Cards were victorious over New Brunswick, but were later defeated by Thomas Jefferson.

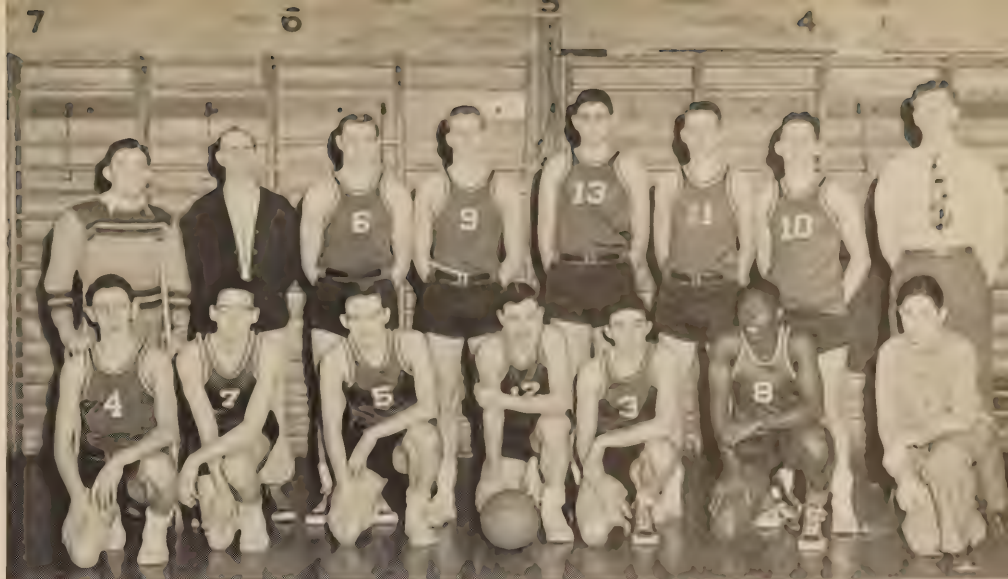

This season was made successful with the aid of Rico Parenti, Rickey Johnson, Cas Wanczyk, Dick Mathewson, Tom Regan and Jack McDonough.

These seniors saw action for the last time at PHS: Cas Wanczyk, Rickey Johnson and Dick Mathewson.

FALL GUYS

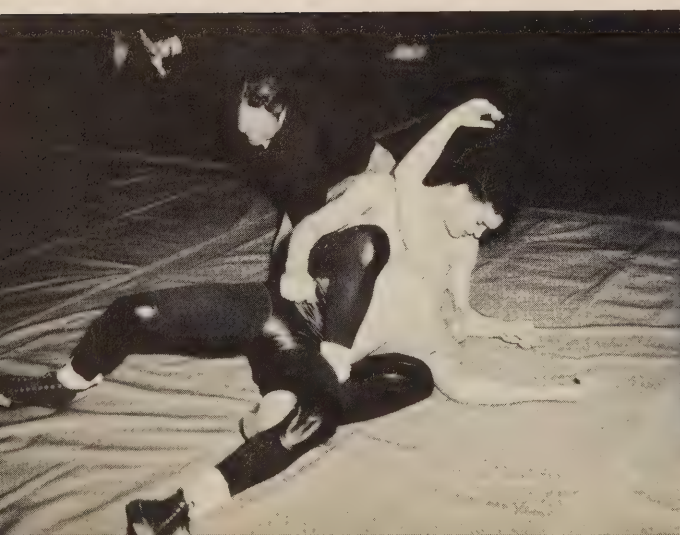

Wrestling, a comparatively new sport in PHS has become extremely popular in the last two years.

The team had a dismal season this year, losing eight matches. However, the record on paper does not reveal the true story. Three matches were lost by two points and one by four points. The two bright spots in the lineup were John Pepe and Bob Kindig, both undefeated in scholastic competition.

The Military Academy invited our grapplers to visit West Point and wrestle the Plebes. The team was overcome by the older and more experienced boys. John Pepe won his match for Plainfield—our only victory.

Varsity lettermen returning next year are: Leroy Hush, Lindsay Barletta, Frank Zampella, Bill Smith, Charles Slifer, Bill Luce, Eugene Herman, Frank Trusheim and Gordon Schwartz. Prospects for next season in this new sport look good, and wrestling is on its way to becoming one of the main attractions in PHS.

ONE MORE LAP

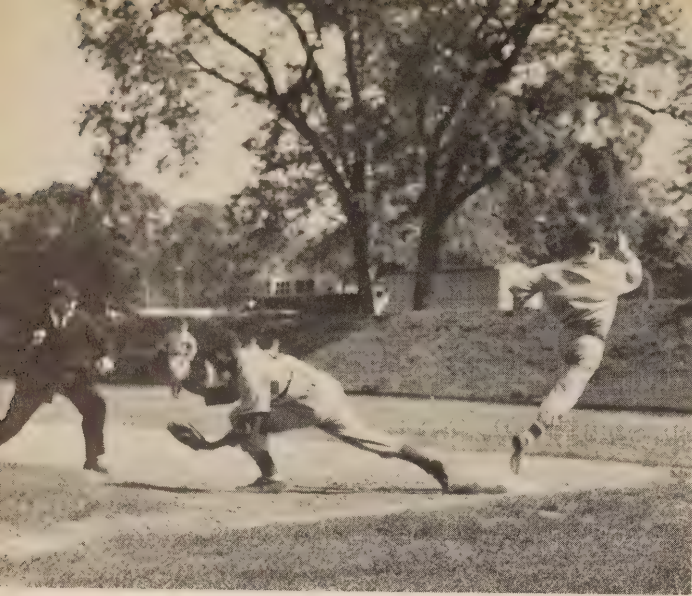

Under the leadership of Coach Harold Brugiére, the PHS Cross Country team had another thrilling season.

Plainfield started its season with a smashing victory over Rahway High. The next meet, a triangular affair, with Thomas Edison, Asbury Park and Plainfield participating, resulted with a second for Plainfield. Next, Plainfield defeated Westfield after quite a bit of opposition. The Harriers again ended on top in the next three-way meet (Union and Englewood furnished the opposition). Plainfield lost its first duel meet against New Brunswick which was actually our last meet. In the Union County meet, the Plainfield Harriers won third place, and in both the Central Jersey and State Meets, Red and Blue took a fifth place.

Fred VanEck, Plainfield's Cross Country whiz-kid, broke the tape in the first six consecutive contests.

SLIDE, BOY!

The 1950 Varsity Baseball team made a win and loss record of 5 to 11 for the season.

Jack Liddy's nine completed the final link in a three sport inter-city championship by walloping the Canucks 10-9 and 6-4 in the two games, which were played in May.

The initial game was in doubt until the ninth inning as PHS blew an eight run lead and they had to break a tie to win. The second game was easier, although the North Plainfielders put up a good battle.

Earlier in the season, the Cards started off on a bad six game losing streak highlighted only by a 400 foot homer poled by Dick Watkins against Thomas Edison in the opener.

The Cards won two, defeating Thomas Jefferson and Regional. The only victory was a 17-3 pasting of Somerville.

During the season, injuries forced many of the players to shift positions. Dick Eddy, Tony Serido, Gene Mirra, Bob Ciotta and Dick Watkins took care of the infield. Chasing the flies were Dom Dellaventura, Bart Feldman, Bill Cary, Bob Gavazzi and Charlie Pearson.

Coach Liddy's mound staff was built around Dick Watkins, Tony Apisa, Larry Perretti, Bill Cary and Bart Feldman. Ed Liebel and Tony Mansolino shared the catching.

Bart Feldman and Dick Watkins were the top batters with .300 plus averages. The team looked fine at times and they lost many games by only a few runs.

SERVICE ACES

The 1950 Cardinal tennis team went through its schedule with six wins and five losses. During the season, they had a double win over Morristown and trounced North Plainfield and Perth Amboy without a single setback. Westfield was the most severe opponent, blanking Plainfield twice, 5-0, 5-0. The Cardinal team split in its matches with Cranford and Thomas Jefferson, and lost a single match to Rahway.

The most outstanding feature of the season was Gordon Sterner's and Larry Couthurst's doubles combination. They went undefeated in the five matches they played together.

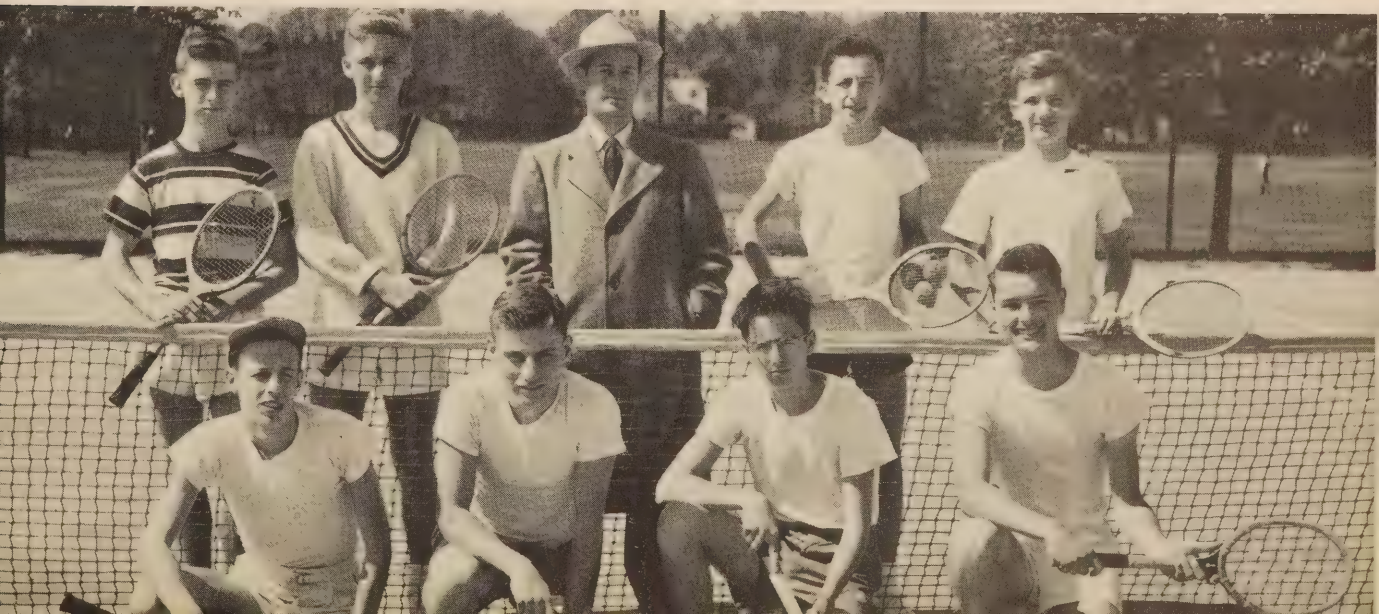

Other members of the varsity squad were: John Blume, Charles Browne, Tom Hall, Jim Voorhees and Dean Wachtel. Kent Martin, Jim Peale and Russell Robins, showed promise in filling the outgoing seniors' steps.

Tom Hall's name was chosen for the honor plaque in the boys' gym.

So you think Girls' Basketball is slow? Have you ever seen our PHS players speed across the gym floor? One certainly sees action at this extra-curricular activity which is played every Tuesday and Thursday afternoon. Not content to prove their strength against one another in interclass

games, they go outside to other schools for rival games. Miss Marion Newson, adviser, helps them to perfect their playing.

As the season closes, the Red and Blue team is chosen. This is the honorary varsity which entitles each member to receive an extra fifteen points toward his school letter.

TENNIS

Tennis anyone? Last fall, more than one hundred girls answered affirmatively. They were found on the PHS courts, either trying to hit "the elusive sphere" or enjoying the finer points of the game wholeheartedly. For those who were interested, Mrs. Hogan arranged matches such as the advanced singles, intermediate doubles and beginners' doubles. After the individual triumphs came the class tournaments which the Juniors won. The honorary society of the club, "Red and Blue," is composed of the two best players of each class team.

ARCHERY

If in the spring the young man's fancy turns to what the girl has been fancying all winter—what then does the young lady turn to? Why naturally she turns to her arrows. Farfetched? Spring . . . Cupid . . . Arrows . . . Bowang . . . Bullseye! See????

These gals, in cohorts down in the large gym, carefully take aim, perfecting each flaw under the supervision of Mrs. King. The winner this year is Judy Gilbert. Spring season draws to a close, with the arrows let loose in one final glory for the class and the team.

SOFTBALL

The 1950 Softball Team didn't have a large group of girls, but it had a very successful season. The players formed teams and played against each other. A few of the outstanding players were Pat Wedgeworth, Helen Esposito, Dolores Green, Maggie Ball and Ginger Hardin. Mrs. Virginia Hogan, gym teacher, was the instructor and helped the girls to keep the ball rolling. Here's hoping that next year the girls' Softball team continues its fine record with the addition of an inter-class tournament.

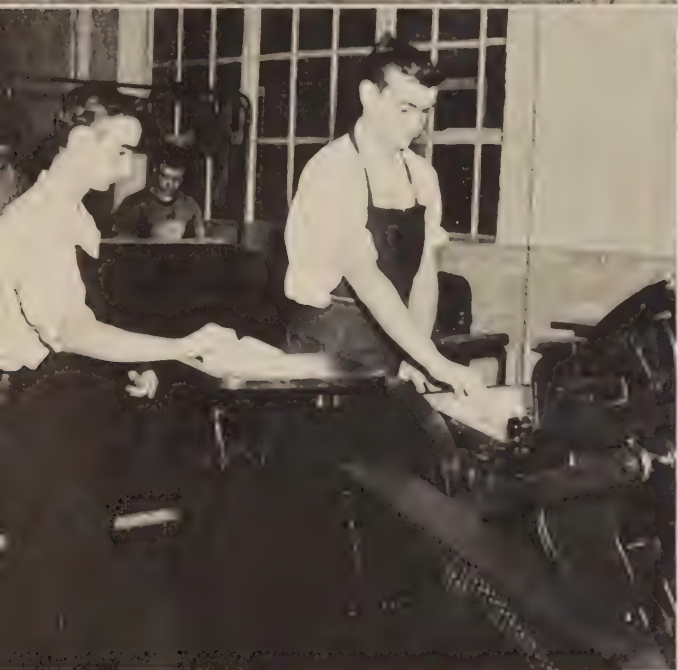

MODERN DANCE

When Mrs. Hogan announced that the Modern Dance Group was forming, girls, girls, and more girls flooded the gym. Overwhelmed by interest, Mrs. Hogan decided to select the twenty most graceful girls as members of an Advanced Modern Dance Club. For the interested disappointees, a new club, Beginners' Modern Dance Group, was formed to meet Fridays after school. Interpretive and modern dancing with musical accompaniment, are taught to the dancers. They dance for assemblies and for various community programs during the year.
